MY BROTHER’S KEEPER
NATIONAL MILESTONES

My Brother’s Keeper is focused on six milestones:

Getting a Healthy Start and Entering School Ready to Learn
All children should have a healthy start and enter school ready – cognitively, physically, socially, and emotionally.

Reading at Grade Level by Third Grade
All children should be reading at grade level by age 8 – the age at which reading to learn becomes essential.

Graduating from High School Ready for College and Career
All youth should receive a quality high school education and graduate with the skills and tools needed to advance to postsecondary education or training.

Completing Postsecondary Education or Training
Every American should have the option to attend postsecondary education and receive the education and training needed for the quality jobs of today and tomorrow.

Successfully Entering the Workforce
Anyone who wants a job should be able to get a job that allows them to support themselves and their families.

Keeping Kids on Track and Giving Them Second Chances
All youth and young adults should be safe from violent crime; and individuals who are confined should receive the education, training, and treatment they need for a second chance.
